Designed for the pleasure of all senses, the Nova offers maximum volume in a high-quality cabin.

The Gaïa Nova Épicéa outside sauna regroups all the standards for a high-quality cabin and offers a comfortable volume thanks to its square shape. Designed for 6 persons, where you can enjoy a true Finnish experience on a two-tiered bench. The upper bench has been thought for complete relaxation with a foldable backrest and a comfortable headrest. For a cozy atmosphere inside the cabin, a set of LEDs diffusing 7 colours provide all the benefits of chromotherapy.
